

MAESTRO EMANUEL MARTINEZ - WORKSHOPS

All the workshops are definitely illustrated with developed material for this finality. If you are interested in other theme not expressed below keep contact.

Workshop of Choir Conduction: destined to future conductors and conductors of choir actually. Study the gesture techniques, the creation and organization of a choir, many formations, study of sheet music and repertoire.

Workshop of Orchestral Conduction: destined for students and conductors of orchestra. Study the gesture techniques, creation and organization of an orchestral group, the many formations and repertoire.

Workshop of Band Conduction: destined for students and band conductors. Study the gesture techniques and repertoire.

Workshop of Musical Perception: destined for students of music in general and teachers of music education with the objective of expand the basic knowledge of music.

Workshop of Musical Appreciation: destined for all that like the classical music in general. The objective is developing the feeling for the classic music contributing for the audience formation. Study the music development although the times.

Workshop of Vocal Technique for Choir Singers: destined to choir singers or vocal groups and choir conductors. Are aborted relative themes the respiration, posture, vocal technique and vocal treatment.

OBS: In Workshops of Conduction, to have an enormous enjoyment from the class students is recommended the participation of a resident group to serve like auxiliary to conductors, if can't be possible to have a complete group, I suggest:

Choir Conduction: in resoable is a vocal octet, with 2 voices in each vocal classification (2 sopranos, 2 contraltos, 2 tenors and 2 bass) with facility of learning and of musical reading.

Orchestra Conduction: two possibilities: a string quintet (2 violins, 1 viola, 1 cello and 1 bass), or two quintets, one of strings (the formation before) and one of wind instruments (1 flute, 1 oboe, 1 clarinet, 1 fagot and 1 tromp). This second formation is the preferential.

Band Conduction: have in resoable this formation: Whistle quintet (orchestra conduction), 1 brass quintet (2 trumpets, 1 tromp, 1 trombone and 1 tube), it's possible too a brass quartet (2 trumpets and 2 trombones).

The necessary equipments for a Workshop:

- A TV of 29`` or a Projector with DVD
- Retro-projector or a PC acoplated in a projector
- Blackboard and Chalk
- Auxiliary material reproduction (texts and sheet musics)
